

Hello,

My name is Aaron Baggarly, of Matrix Consulting Group. Matrix has been retained by Napa County to study the planning and land use application and permitting process that is currently deployed by the County. In order to fully understand the process and ultimately to make recommendations, it is important for us to receive feedback from you, the customer. We have two ways for you to provide input: 1) we have created an anonymous survey, that will be sent out in a separate email, and 2): we are holding stakeholder input meetings that you may attend.

The intent of the stakeholder meetings is to have open discussion about the current land use process and for us to understand your concerns in respect to improvement opportunities along with what works well.

Five stakeholder meetings will be held on Wednesday and Thursday June 21-22 at the Napa County Administration building at the following times and locations:

Wednesday, June 21st, 1:00 p.m. – PBES Large Conference Room

Wednesday, June 21st, 4:00 p.m. - PBES Large Conference Room

Thursday June 22nd, 8:00 a.m. – County Counsel Conference Room 301

Thursday June 22nd, 1:00 p.m. – County Counsel Conference Room 301

Thursday June 22nd, 4:00 p.m – PBES Large Conference Room

Feel free to attend any of these sessions as they all will be the same format. If you are unable to attend one of these session, feel free to give me a call at 803-622-9910 to discuss your recent experience with the Napa County Planning Division.

I look forward to seeing you next week and if you have any questions, please let me know. Additionally, if possible, please let me know which meeting you are planning to attend.

Best Regards,
Aaron Baggarly
